

## SENATOR JERRY HILL

*Invites You to a*

# SENATE SUBCOMMITTEE HEARING *on* SAFETY AND THE CALIFORNIA PUBLIC UTILITIES COMMISSION

Monday, November 18, 2013 ~ 10 a.m. to 12 p.m.

Hiram W. Johnson State Office Building  
Milton Marks Conference Center – Auditorium  
455 Golden Gate Avenue, San Francisco

**PURPOSE:** This hearing, “Improving Safety Oversight at the California Public Utilities Commission,” will examine the CPUC’s progress on safety oversight in the three years since the fatal PG&E gas pipeline explosion in San Bruno. Hear from safety experts and representatives of the CPUC about the issues and possible solutions.

Senator Hill is holding the hearing as chair of the Senate Energy, Utilities and Communications Committee’s Subcommittee on Gas and Electric Infrastructure Safety.

**This event is free and open to the public, but RSVPs are recommended.**

**To RSVP call Senator Hill’s District Office at (650) 212-3313**
