Dear Valued Customer:

The City of San Carlos and Pacific Gas and Electric Company (PG&E) have worked closely together over the past three years to ensure the safe operations of our gas pipeline (Line 147) in the City of San Carlos along Brittan Avenue. We are hosting an open house on **June 27** to answer your questions and respond to any concerns you might have regarding the project.

Please join us to learn more about this project and our safety programs. Stop by anytime during our open house.

**Tuesday, June 27, 6:00 p.m. to 7:30 p.m.**  
San Carlos Public Library, Second Floor, 610 Elm Street, San Carlos, CA 94070

We will provide information on recent work completed. Our customer service, gas operations, local government and officials from the City of San Carlos will attend. You will also receive a postcard reminding you of the open house a few days before the event.

We hope to see you on **Tuesday, June 27** to discuss the important gas work performed in San Carlos. If you would like additional information or have questions, please use one of the following resources:

- Contact your local PG&E Representative, Scott Hart at [dshf@pge.com](mailto:dshf@pge.com).
- Visit the City of San Carlos gas line website at [cityofsancarlos.org/depts/cm/pge](http://cityofsancarlos.org/depts/cm/pge).
- Learn what we are doing to enhance the safety and reliability of our gas system at [pge.com/gas](http://pge.com/gas).

Sincerely,

Frank Salguero  
Peninsula Division Senior Manager  
Pacific Gas and Electric Company
